Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Clubs of Ada County, Idaho, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2020 AND 2019

A. Summary of Significant Accounting Policies:

1. Organization - Boys and Girls Clubs of Ada County, Idaho, Inc. was formed in 1995 as a non-profit corporation and began operations in January 1997. The Organization has facilities located in Garden City, Idaho, and Meridian, Idaho. The Organization is a youth development agency that is dedicated to providing all youth between six and eighteen years of age in Ada County with a sense of belonging, usefulness, influence and competence, with special concern for those who most need help. The Club is committed to providing high quality programs designed to develop the skills and talents needed to become responsible citizens and leaders.
2. Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.
3. Management Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
4. Fair Value of Financial Instruments - The Fair Value of Financial Instruments and Disclosures Topic of FASB Accounting Standards Codification (FASB ASC) defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. The Organization's financial instruments are cash and cash equivalents, accounts receivable and accounts payable. The recorded values of these financial instruments approximate their fair values based on their short-term nature.
5. Cash and Cash Equivalents - For purposes of the statements of cash flows, the Organization has designated cash in checking, petty cash account, savings, and money market investments as cash equivalents.
6. Accounts Receivable - Accounts receivable consist of monies due from businesses and individuals. The Organization utilizes the direct write-off method for recognizing bad debts. This departure from the allowance method is deemed immaterial to the accompanying financial statements.
7. Property and Equipment - Property and equipment are stated at cost if purchased. Donated property and equipment are stated at the fair market value of the asset as determined by the donor at the date the donation is received. Depreciation is computed using the straight-line method based on the estimated useful lives of the related assets.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2020 AND 2019

A. Summary of Significant Accounting Policies (Continued):

8. The Organization follows the reporting guidance of FASB ASC 2016-14 for Not-for-Profit Entities. Under ASC 2016-14, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: Without donor restrictions and with donor restrictions.

Net Assets Without Donor Restrictions - The net assets not subject to donor-imposed restrictions include donations, transactions related to membership and program fees, and in-kind donations. These revenues are reported as increases in net assets without donor restrictions and the funds are used as directed by the board of directors and management.

Net Assets With Donor Restrictions - All contributions are considered to be available for use unless specifically restricted by the donor. Net assets with donor restrictions consist of contributions restricted due to time restrictions or donor-imposed purpose restrictions including scholarship, nutrition, sports, and education programs. When time or purpose restrictions are met, amounts are classified as unrestricted net assets. Restricted contributions and grants that are received and expended in the same calendar year are classified as without donor restrictions for financial reporting purposes

9. Income Taxes - The Organization is exempt from income taxes as defined by Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision has been made for income taxes in the accompanying financial statements.

The Organization has adopted the provisions of FASB Accounting Standards Codification Topic ASC 740-10 (previously Financial Interpretation No. 48, *Accounting for Uncertainty in Income Taxes*), on January 1, 2009. The implementation of this standard had no impact on the financial statements. As of both the date of adoption and as of December 31, 2020, the unrecognized tax benefit accrual was zero.

The Organization will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred. The Organization is subject to examinations by tax authorities for years 2017 through 2019.

10. Donated Services - Donated services, reported as in-kind contributions in the accompanying financial statements, have been recorded at fair market value as determined by the donor.
11. Reclassifications - For comparability, certain amounts in the 2019 financial statements have been reclassified, where appropriate, to conform with the financial presentation used in 2020.

BOYS AND GIRLS CLUBS OF ADA COUNTY, IDAHO, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2020 AND 2019

A. Summary of Significant Accounting Policies (Continued):

12. Revenue Recognition – The Organization adopted ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, under the modified retrospective method. This guidance requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which entities expect to be entitled in exchange for those goods and services which are also known as exchange-type transactions. The exchange-type transactions the Organization entered into include membership dues, program fees, rental activities, meal service, and table sponsorships at fundraising events. Analysis of the various provisions of the new standard resulted in no significant changes in the way the Organization recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis.

Revenue not recognized under ASC 606 is accounted for in accordance with ASU 2018-08, *Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* on a modified prospective basis. This standard clarified and improved current guidance by providing criteria for determining whether a nonprofit is receiving commensurate value in return for the resources transferred and therefore can be appropriately classified as either a contribution or exchange-type transaction. Under this pronouncement the Organization recognizes revenue from individual and corporate donations, fundraising events, and government and private grants as contributions in which there is no exchange transaction. Under the prospective approach there is no material change to the revenue recognition.

13. Subsequent Events – Management has evaluated subsequent events through July 30, 2021, the date on which the financial statements were available to be issued. There are no other subsequent events that require disclosure as of the date above.

B. Marketable Securities:

On January 1, 2019 the Organization adopted FASB ASU No. 2016-01, “Financial Instruments-Overall: Recognition and Measurement of Financial Assets and Financial Liabilities” which requires accounting for equity investments under the fair value option with changes in fair value recognized in net income. The current year change in the unrealized gain or loss is recorded in the statement of activities as a component of “unrealized gains (loss) on investments.” Information regarding investments as of and for the years ended December 31, 2020 and 2019 is summarized as follows:

The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Boys and Girls Clubs of Ada County, Idaho, Inc.  
Boise, ID

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Boys and Girls Clubs of Ada County, Idaho, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 30, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Boys and Girls Clubs of Ada County, Idaho's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Clubs of Ada County, Idaho's internal control. Accordingly, we do not express an opinion on the effectiveness of Boys and Girls Clubs of Ada County, Idaho's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Boys and Girls Clubs of Ada County, Idaho's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM  
GUIDANCE

To the Board of Directors  
Boys and Girls Clubs of Ada County, Idaho  
Boise, ID

**Report on Compliance for Each Major Federal Program**

We have audited Boys and Girls Clubs of Ada County, Idaho's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Boys and Girls Clubs of Ada County, Idaho's major federal programs for the year ended December 31, 2020. Boys and Girls Clubs of Ada County, Idaho's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Boys and Girls Clubs of Ada County, Idaho's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Boys and Girls Clubs of Ada County, Idaho's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Boys and Girls Clubs of Ada County, Idaho's compliance.

***Opinion on Each Major Federal Program***

In our opinion, Boys and Girls Clubs of Ada County, Idaho complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

### ***Other Matters***

The results of our auditing procedures resulted in no instances of noncompliance.

### **Report on Internal Control Over Compliance**

Management of Boys and Girls Clubs of Ada County, Idaho is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Boys and Girls Clubs of Ada County, Idaho's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Boys and Girls Clubs of Ada County, Idaho's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
